PROFILE

Creative Video Editor with 2 years of freelance experience editing Instagram Reels, YouTube Shorts, long-form YouTube videos and wedding films. CapCut Expert skilled in clean cuts, color grading, speed ramps, keyframes, text animation and music synchronization. Manages projects independently from raw footage to final export, with attention to pacing, visual quality and deadlines.

EXPERIENCE

Freelance Video Editor | Remote

2 Years of Experience

- Edited YouTube videos, Reels, Shorts and wedding films, handling cuts, color grading, music, text animation and final export.
- Created engaging short-form edits using fast cuts, speed ramps, transitions and kinetic typography.
- Edited long-form videos with clean pacing, music synchronization and on-screen text.
- Produced cinematic wedding edits with warm color grading and an emotional storytelling flow.
- Managed the post-production workflow from footage organization to export-ready delivery, maintaining timelines independently.

VIDEO EDITING SKILLS

Software: CapCut — Expert

Core Editing: Cut & Trim, Transitions, Music Synchronization, Audio Editing, Export Optimization

Color & Motion: Color Grading, Color Correction, Speed Ramping, Keyframes, Basic Motion Graphics

Typography & Animation: Text Animation, Logo Animation, Kinetic Typography

EDITING SPECIALIZATIONS

- **Reels & Shorts:** Fast-paced edits, speed ramps, music sync and engaging text.
- **YouTube Videos:** Long-form editing with clean pacing, audio balancing and professional exports.
- **Wedding Films:** Cinematic cuts, color grading and music-led storytelling.
